- Manufactured from 100% post-consumer recycled paper and our own PetroFree™ resin
- Durable composite surface for tables, countertops, vanities, partitions, wall panels, window sills, furniture, signage, and more
- Standard and custom edge profiles are achievable
- FSC®-certified by SmartWood/Rainforest Alliance
- Durability allows installation of 1/2" thick material
- PaperStone® Design Collection colors are made with 90% post-consumer recycled paper, mixed melamine, and phenolic resins
- NSF Certified as safe for direct food contact in food prep areas
- Highly resistant to stains, scratches, and chemicals
- 10 Year Manufacturer's Warranty
- Class A Fire and Smoke Rating
- VOC free
- No added urea-formaldehyde resins
- Contributes to LEED 2009 MRc4, for recycled content, MRc7 for FSC, and IEQ4.4 for no added urea-formaldehyde

* Leather is not currently made with recycled paper.
Printed colors are not exact. Please call for physical samples.
